Dear Ms. Copeland, Staff and Students,

Thank you for your generous gift to the animals at the Humane Society of Greater Dayton! Your donation of \$120.00 will be put into immediate use providing nourishing food, lifesaving medical care and safe shelter for the animals in our care.

Here at the Humane Society of Greater Dayton, we care for all kinds of animals, not just dogs and cats. This handsome fellow is Norman. He was brought to the Humane Society from a bad situation, where he was living in a home in less than ideal conditions. His teeth and hooves were extremely overgrown. After our vet staff helped to make those better, Norman slowly began to warm up to people. He loved belly rubs and relaxing under the warmth of his blanket! He won over the hearts of all of our staff and it took no time at all for Norman to find his loving forever home. Now, he has all the care, companionship, and belly rubs he will ever need and we couldn't be happier for him!

The Humane Society of Greater Dayton is proud to be a no-kill animal welfare agency that has been caring for animals in need since 1902. As a 501(c)(3) nonprofit organization we rely solely on donations from individuals, companies and grants to fund nearly 100% of our programs and services. This is why your generous gift is so critical to our overall mission. You are why we can help thousands of animals every year. You are why we can provide medical services to animals who just want to be happy and healthy again. You are why we can be a voice for the voiceless and give these animals a second chance.

From the staff, volunteers and most importantly the animals at our shelter, thank you so much for being part of our family! Together, we are making a difference!

Gratefully,

Brian Weltge
President & CEO
